

Regulations for AUK Events classified BP (to be read in conjunction with Regulations for all events)

1	Brevets Populaires (BP) are AUK validated events for individual cyclists and may be Calendar, Permanent or DIY events
2	Routes and controls for Calendar and Permanent events are set by an organiser. (Refer to the Regulations for AUK DIY events for route requirements of DIY events)
3	BP events may be of any distance acceptable to the AUK events secretary
3.1	Standard distances are 50km, 100km and 150km
4	The speed limits may be lower than that for BR events at the discretion of the AUK events secretary
4.1	A minimum of 10 - 12.5 km/h and maximum of 20 - 25 km/h is normal practice.
4.2	The organiser may submit the event for assessment of AAA points, which are awarded to members for validated rides.
5	Exceptionally to the General Event Regulations, Electrically Assisted Pedal Cycles (EAPCs) may be ridden but such rides are not eligible for validation.
