

Parental Consent Form for events held under Audax UK Regulations

PARENTAL CONSENT is required for entrants under 18 years of age. This form should be completed and returned with the event entry form. Parents/guardians should note the information on this form and be aware that this is an individual ride without leaders. This form can also be used with an online entry made by an under 18 entrant.

Under 18s Event Entry Terms

Events are run under Audax UK's Regulations. It is your responsibility to familiarise yourself and your child with those Regulations and with the further guidance and advice published on our website.

An Audax event is not a race or trial of speed. The route is on open public roads. Entrants are required to follow the rules of the road and to show consideration to other road users.

The organiser provides no rescue service. Your child will need to be self-sufficient during the event. The route is not waymarked or marshalled. You should prepare by studying the route.

Entrants are strongly advised to ensure they have appropriate insurance cover in place for their cycling activities. Audax UK's insurance policy only provides limited third party insurance to members and temporary members for the duration of the event and is subject to an excess of £250.

Note: The minimum age for unaccompanied children on any event is 14; there is no younger age limit for accompanied riders. Children aged 14 to 17 may participate unaccompanied on events with an award distance of up to and including 200 km at the discretion of the organiser. Children aged 14 to 17 must be accompanied for events with an award distance of greater than 200 km. Accompanying adults must be a parent or an appropriate adult acting in loco parentis.
